The Tonopah lodge of Moose last Saturday night adjourned their meeting out of respect to the memory of the late Senator George S. Nixon and drafted resolutions of sympathy which will be forwarded to Mrs. Nixon and her son.

Key Pittman, in making the motion to adjourn, paid a beautiful tribute to the memory of Senator Nixon and told of the man as he knew him; a man who did the things which he thought were right, a friend to the poor and needy, and a man who had the courage of his convictions. The meeting was a most impressive one and when the members of the lodge left the hall there was in the hearts of all a feeling that the state had suffered a great loss.

TEX WATSON IS INJURED BY FALLING TRUCK

RIGHT LEG FRACTURED WHEN HEAVY WEIGHT FALLS DOWN A WELL

RUSHED TO THE HOSPITAL

WAS WORKING WITH COMPANION AT CLENDENNING WELLS WHEN INJURY RESULTS.

Tex Watson, who for some time past has been employed by O. K. Reed at Clendenning Wells, ten miles south of Coyote Springs, yesterday morning had his right leg broken above the knee as the result of a truck falling down the shaft in which he was working.

Watson and Albert Thorne were in the act of sinking a well and had reached a depth of 40 feet. Thorne was operating the windlass on the surface and had just returned with the truck that was used to carry the bucket to the end of the dump. He had placed a wedge under the wheel of the truck and was in the act of lifting the trap doors that covered the shaft, preparatory to lowering the bucket into the shaft when a severe gust of wind caught the truck forcing it into the shaft.

Thorne called to Watson to look out. Watson heeded the warning by jumping toward the hanging wall. The truck as it dashed to the bottom, caught Watson on the right leg and pinned him fast to the wall. Thorne descended immediately and soon extricated Watson from his precarious condition. With considerable difficulty Thorne managed to get Watson to the surface and carried him several hundred yards to their tent.

Thorne then came to Tonopah and secured Dr. Cowden, whom he took to the scene of the accident. Cowden administered the first aid and had the patient brought to Tonopah and placed in the Miners' hospital where he is now confined.

Watson is well known in Southern Nevada. He wears his hair long, not having had it cut since the election of Grover Cleveland. Watson at that time made a wager with a friend that he would not cut his hair again until another Democratic president had been elected. He has kept his word for his locks are 14 inches in length.

Dr. Cowden stated this morning that unless unforeseen complications set in the injury to Watson would not be serious.

WITNESS TELLS GRAPHIC TALE OF FATAL STABBING

ANDRIJA MIRKOVICH, ON TRIAL FOR THE DEATH OF JOHN GREGOVICH.

EYE WITNESSES WILL TESTIFY

RAPID PROGRESS MADE AND CASE SHOULD BE CLOSED LATE WEDNESDAY

In the district court this morning, before Judge Averill, the case of the State of Nevada vs. Andrija Mirkovich, charged with the murder of John Gregovich, was called at 10:25 o'clock. The first witness examined for the state was Dr. J. R. Masterson who was an eye witness to the cutting affray.

Master testified as follows: "I met Mr. Gregovich on the morning of May 14, on his way to the Tonopah and Goldfield depot and walked with him. As the train was pulling into the station I saw a man rush from the crowd and make several lunges at Gregovich, who tried to push the man away from him. I also heard the man make a threatening remark to Gregovich, saying: 'I'll get you, you—'"

Gregovich said he had been stabbed and wanted to get into an automobile. I assisted him to the edge of the sidewalk, where he became unconscious from the loss of blood. I had my artery clamps with me and succeeded in closing the femoral artery. I also accompanied Mr. Gregovich to the Miners' hospital and worked over him for several hours. He died from loss of blood, caused by a knife wound in the right groin. I examined the body and found four knife wounds, one in the right groin, two in the chest and one in the back."

J. E. Peck, Miles McCormick, T. J. Kullback, W. C. Harding, Steve Sabovich, W. Van Patten, Dr. Grigs, Nick Kosch and Nikola Chiatovich were also examined. Their testimony was practically the same as Dr. Masterson's in regard to the stabbing. Several of the witnesses saw the accused, Mirkovich, thrust the knife into the body of Gregovich. The case will, in all probability, go to the jury late Wednesday afternoon.

On account of the proclamation issued by Governor Oddie asking that all public places of business be closed owing to the funeral of the late Senator George S. Nixon, tomorrow, the district court will adjourn this evening until Wednesday morning at 10 o'clock.
